ATLANTA, GR., July 24.—R in the Greenwood Cemetery.

MRS. ELIZABETH WHITE COLT. Mrs. Elizabeth White Colt, a vicepresident of the State Woman Suffrage Association, died Wednesday at her home 11 Maple street, Bronzville. She was one of the organizers of the Congressional Union for Woman Suffrage and became a member of its advisory militant suffrage organization, and in July, 1917, led a delegation to Washington, where they took part in the picket ing of the White House.

Mrs. Colt was born in Williamsport Pa. She leaves her husband, William L. Colt, Eastern manager for the Willys-Overland Company, and a son by a former marriage. Robert Neilson, 3d. The funeral will be held this afternoon from the residence, after which the body will be taken to Conway, Ontarlo, for

WYLLYS E. DOWD.

Walles E. Dowd died suddenly at the age of 63 on Wednesday at his home at Pawilng, N. Y.

For many years Mr. Dowd was a man utacturer of sterling sliverware, but refired several years ago from active bust ners as director and secretary of the Whiting Manufacturing Company of this city. For the last two years he has been or health. He was a son of Charle In poor neath. He was a solution of the prings, the originator of the system of standard time, which was adopted by the railroads in 1982. Mr. Dowd is survived by his widow Mrs. Isabel Cheesebrough Dowd, and by

PHILLIPSBURG, N. J., July 24 .- Joseph R. Shimer, for twelve years a member one to finish out the season. director in the Phillipsburg National Bank, the Phillipsburg Transit Company and the People's Water Company, died to-day.

Mr. Shimer, who was 73 years old, was president of Joseph R. Shimer & Co. He lived at 29 Bullman street, and

# Delicate Mechanism

Despite its scope, Swift & Company is a business of infinite details, requiring infinite attention.

with a knowledge of weight, price, the amount and quality of meat the live animals will yield Each manufacturing operation must be done with expert skill and scientific precision. A highly

perishable product must be handled with speed and

Experienced men must know livestock buying

care to avoid loss. Chemists, engineers, accountants, and other specialists are required to take care of our intricate

Alert wisdom and judgment must be used in getting stocks of goods into the open channels of demand through our four hundred branch houses. Branch house organizations must show activity and energy to sell at the market in the face of acute competition from other large packers, and hundreds of small ones.

All these requirements of intelligence, loyalty, devotion to the task, are met in the personnel of Swift & Company. Yet the profit is only a fraction of a cent per pound, with costs at minimum.

How can the workings of this delicate human mechanism be improved upon?

Do you believe that Government direction would add to our efficiency or improve the service rendered the producer and consumer?
